

May 2008

Iowa Aviation Promotion Group  
3700 SE convenience Blvd  
Ankeny, IA 50021

Iowa Pilots and Aviation Enthusiasts:

In 2007 Iowa, Iowa Aviation Promotion Group launched ***Flight Iowa Challenge 2007***. Several dozen pilots and non-pilots participated and visited airports throughout Iowa between May 1, 2007 and September 30, 2007. The 2007 winners visited all 115 Iowa public use airports.

In the spirit of continuing the IAPG mission of growing aviation, stimulating pilot activity, and providing some friendly competition, the IAPG Board is extending ***Fly Iowa Challenge to 2008 and Beyond!*** The ***Fly Iowa Challenge*** venue has been modified in several ways to broaden the participation:

- The contest will begin when the participant pays the entry fee and receives the ***Fly Iowa Challenge Passport***. Registration can be accomplished on-line by visiting [www.flyiowa.org](http://www.flyiowa.org) and entry fee and IAPG membership can be paid on-line by PayPal or downloading and mailing the application and entry fee to IAPG.
- Participants can complete the contest requirements of fly-in visits to airports either within a 12 or 24 consecutive month period. Prizes levels are dependent on number of airports visited and the 12 month qualifies for higher prize levels over the 24 month window.
- Registered participants will be given a ***Fly Iowa Challenge Passport*** in which to record airport visits. Iowa Aviation Promotion Group will reserve the right to verify passport entries against the participant's official FAA Pilots log.

Enclosed is the complete package explaining ***Fly Iowa Challenge, 2008 and Beyond***. We hope you accept the challenge and that you will have lots of fun along the way. More information is available on our website, [www.flyiowa.org](http://www.flyiowa.org).

Good Luck!

Tim Busch, President IAPG
